### Emmanuelle Sarrouy and Jean-Paul Noguès ☐ installations

Three installations will be presented, *L'oeil sur la balance* by Emmanuelle Sarrouy, *Corpus*, installation by Jean-Paul Noguès and *DV Life 2001-2004* by Emmanuelle Sarrouy & Jean-Paul Noguès: Montag(n)e cathodique, realised jointly. Each one sends us back that which our humanity is made of. The body acquires therefore a place of importance, that of the filmed person, the person who films and the bodies of those to whom it is addressed. The precision in the choice of images and their editing render the evidence of a relationship, a character, an emotion.
