

## **VIDÉOTHÈQUE À LA CARTE**

Vidéodrome > between 29 June and 2 July 13h30 to 16h  
8 rue Vian 13006 Marseille tel ☎ 04 91 42 99 14

The vidéothèque à la carte contains 150 videos. Open four days, access is free. It has hidden treasures that everyone can freely discover. A catalogue is available. Because a member of the selection committee receives the public, the videos are presented and, are open to discussion.

### **P'Silo Videolibrary**

If the vidéothèque à la carte is ephemeral, the P'Silo videolibrary is, however, open all year round. In fact, the videos retained as experimental during the festival selection of Images Contre Nature enter into, with the accord of the directors, this vidéothèque.

291 films are today archived on DVD (from VHS recordings).

The consultation is free, on site only, from 15h to 19h every day excluding bank holidays, at the Vidéodrome – 8 rue Vian / 13006 Marseille.

A catalogue of presentation accompanies the videos. The newly selected videos and those produced by the association P'Silo are added in January.
